J. H. SHIREMAN'S
REAPERS & MOWERS.
HAVING been agent for this machine last season, I also offer it to the farmer this season. It is well known, having taken the premium at the Benders-ville Fair, also at the Gettysburg Mowing Match over seven others which were considered splendid machines, and likewise at the Dillsburg Mowing Match. Having concluded not to offer any machine that will not give entire satisfaction, I have refused agencies of several other machines, and now offer the following:
THE GREAT MACHINE OF THE SEASON.
Having tried one myself, I know exactly what it will do. I could refer you to scores of farmers who have purchased machines of me, who are highly pleased and say this is the only machine they would use.
Extras always on hand, and repairing done here at my place. This is a great consideration—the machine can be repaired at home immediately, and with much less cost.
Another great saving is the BINDER which is attached to this celebrated Reaper and Mower. It has been thoroughly tried, and gives entire satisfaction—requiring no harvest hand except a driver. This Binder can also be attached to the Reapers which have been sold; but cannot be attached to any other machine except Shireman's.
I will here refer you to a few farmers, in different localities, who have bought and used these machines
Michael Pisel, Stephen Gettier,
Moses Hartman, Mr. Berner,
Joseph Wierman, Mr. Linn,
Ulrich Jacobs, J. R. Hershey
Jacob Hartman, B. B. Woodburn,
Jacob Laman,
with others, too numerous to mention.
This machine has a self-rake, side delivery, and is warranted to do its work as above recommended.
Also on hand, SHIREMAN'S SELF-DISCHARGING HORSE RAKE, a first-rate article, which we will sell at the lowest possible price. Warranted to give satisfaction. Also the COLUMBIA RAKE always on hand.
Machines can be seen at my house, three miles south of Gettysburg, or at Mr. Conrad Snyder's, Baltimore Hotel.

Hoofland's German Bitters,

OR
HOOFLAND'S GERMAN TONIC.
The Great Remedies for all Diseases of the
LIVER, STOMACH, OR DIGESTIVE ORGANS.
Hoofland's German Bitters
Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixture of any kind.*
HOOFLAND'S GERMAN TONIC
Is a combination of all the ingredients of the Bitters with the pure, old Pennsylvania Rye Whiskey and pure Santa Cruz Rum, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.
These powerful Medicines differ from Alcoholic admixture, will use
HOOFLAND'S GERMAN BITTERS.
Those who have no objection to the combination of the Bitters, as stated, will use
HOOFLAND'S GERMAN TONIC.
They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being more palatable.
The stomach, from a loss of tone, suffers an Indigestion, Dyspepsia, Nervous Debility, etc. is very apt to have its functions deranged. The liver, sympathizing so closely as it does with the Stomach, often becomes affected, the result of which is that the patient suffers from several or more of the following diseases
Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.
The sufferer from these diseases should exercise the greatest caution in the selection of a remedy in his case, purchasing only that which can be relied upon to effect a cure. In this connection we consider that those well-known remedies—
HOOFLAND'S GERMAN BITTERS,
AND
HOOFLAND'S GERMAN TONIC.
PREPARED BY *Dr. C. M. JACKSON,*
PHILADELPHIA, PA
Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.
These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach, or Intestines.
DEBILITY,
Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Fevers, etc.
There is no medicine extant equal to these remedies in such cases. A tonic virtue is imparted to the whole system, the appetite strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.
PERSONS ADVANCED IN LIFE,
And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this DYSPEPTIC, or the TONIC, an elixir that will instil new life into their veins, restore in a measure the energy and action of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.
NOTICE.
It is a well-established fact that fifty per cent. or one female portion of our population is confined to their beds in the enjoyment of good health; or, to use their own expression, never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.
To this class of persons the BITTERS, or the TONIC, is especially recommended.

TESTIMONIALS.
HON. GEO. W. WOODWARD,
Chief Justice of the Supreme Court of Penna., writes:
Philadelphia, March 16, 1867.
"I find 'Hoofland's German Bitters' a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours, truly,
GEO. W. WOODWARD."
HON. JAMES THOMPSON,
Judge of the Supreme Court of Pennsylvania.
Philadelphia, April 28, 1866.
"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia, I can certify this from my experience of it.
Yours, with respect,
JAMES THOMPSON."
FROM REV. JOSEPH H. KENNARD, D. D.,
Pastor of the Tenth Baptist Church, Philadelphia.
Dr. *Jackson*—Dear Sir:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined, but, with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially, to Liver Complaint, it is a safe and reliable preparation.* In some cases I may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.
Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates st.
FROM REV. E. D. FENDALL,
Assistant Editor Christian Chronicle, Philadelphia.
I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours, truly,
E. D. FENDALL.

PENNSYLVANIA, OHIO, INDIANA, VERMONT, MAINE & NEBRASKA,

have sealed the fate of the Copperhead party. Give one day more to the Country and make the defeat a TOTAL ONE.

By order of the Republican,

Oct. 23—2t COUNTY COMMITTEE.

Our Great Victories.

TO THE REPUBLICANN OF ADAMS COUNTY.

The great victories of Tuesday of last week, are unparalleled in importance, in the history of politics. They have saved four powerful Commonwealths, gained two U. S. Senators, elected 39 of 55 Representatives, affirmed the Congressional policy of Reconstruction, and have settled a multitude of difficulties. Besides, the future supremacy of the Republican Party in the great central belt of States is assured, if its course in the future should be dictated by wisdom, prudence, and patriotism equal to that which has illuminated the history of its past.

These grand results have astounded our foes. They have electrified our friends. Especially have they been grateful to the oppressed Union men of the South who, but for these, had before them the direful and dreadful prospect of indignity, outrage, banishment, or death.

One additional duty rests upon us.—It is to continue our effort till victory crown our banner on the 3d of November, and the election of GRANT and COLFAX be put beyond cavil or jeopardy. To this end, let every patriot devote himself, assured that, *in this final Victory* will be accomplished EVERY THING for which our soldiers fought and our heroes died.

EDWARD MCPHERSON,
D. MCCONAUGHY,
E. G. FAHNESTOCK,
CHARLES HORNER,
D. A. BUEHLER,
DAVID WILLS,
JOHN F. MCCREARY.

Of Republican County Committee.

GOV. WELLS of Virginia reports that the October elections have completely demoralized the Virginia Copperheads. They are filled with dismay, and are already beginning to cry, "Hold, enough." It is a second "Five Forks" to them, and they seem willing to let us have peace.

ELECTION FRAUDS.

In Ohio, the Copperheads resorted to the same frauds which their brothers practiced in this State. On the 10th, in Sandusky, a warrant was issued on Saturday by the United States District Court of Northern Ohio for the arrest of Hon. E. F. DICKINSON, of Tremont, Democratic Congressman elect in the ninth district, on a charge of issuing fraudulent naturalization papers to secure his own election. He will be taken to Cleveland to-day for examination. J. H. MCARDLE DICKINSON, chairman of the Sandusky County Democratic Committee, was arrested yesterday at Tremont by the United States Marshal on a similar process for complicity in the same fraud, DICKINSON being summoned as a witness against him.

The seats of READING, MOFFAT and FOSTER, Copperhead Representatives elect to Congress from Pennsylvania, and of VOORHEES of Indiana, will be contested on account of frauds; and there is little doubt that some, at least, will be ousted.

THE "DEMOCRATIC HUDDLE."

We give in another column, an abstract of the discussion in the Copperhead papers respecting the withdrawal of SEYMOUR and BLAIR.

The upshot of it all is that the party will stick to the ticket—preferring to go down with colors flying rather than run the risk of making a change.

No man of sense thinks that SEYMOUR and BLAIR have a ghost of a chance of election; but the party are in no mood to "swap horses" while in the midst of the flood.

Their condition is to be pitied. The country is against them. They are on the eve of utter overthrow, and their feelings are too horrible for description. Meanwhile, the Republican column moves resistlessly on, to the greatest Victory of modern times.

POLL EVERY VOTE.

The only hope of a shattered Democracy is that the Republicans will "sleep on their arms," and will fail to poll their vote.

To be FOREWARNED, is to be FOREARMED. Beware of sluggishness. Let not your victory, great as it is, induce inaction. On the other hand, it should stimulate to greater effort.

See to it, that *every* Republican vote is polled for GRANT; and all will then be well.

Be satisfied with nothing less.

THE N. Y. *Herald* says that the recent State elections indicate the election of Gen. Grant by an overwhelming majority of the popular and electoral vote of the Union. It adds that there is every reason to believe "that the forty-seven thousand Democratic majority in the Empire State last year will disappear in November like a morning fog from the face of the sea."

PUSH ON THE COLUMN! Give Grant Pennsylvania by 25,000 majority! Let us settle, *now and forever*, all the questions which have grown out of the War; and clear from the pathway of the Nation every obstacle which will obstruct its progress. LET US HAVE A LONG PULL, A STRONG PULL, AND A PULL ALL TOGETHER!

Extra Assessments.

Persons who were not assessed before the first election, should now see that their names are put on the list ten days before the Presidential election, so that they may then be able to vote. This can be done ends on this, Friday, evening. Republicans, see that every one who intends to vote for Grant is duly assessed, and let us lose no strength for want of this precaution.

THE Harrisburg *Patriot* is horrified at the election returns, and says "the country is on the broad road to ruin." It has never been so near the path of safety as when it diverged the farthest from Copperhead policy. It was never so far on the road to ruin and so near *actual* ruin, as when, in 1861, the country was precipitated into a Democratic rebellion against which the Democratic party had no remedy to offer but acquiescence in the disunion and disgrace it would have entailed.

The people remember this; and it is because they *distrust* the Democratic leaders and policy that they vote so overwhelmingly for GRANT, and his policy of PEACE.

THE Richmond Whig—a "Democratic conservative" sheet—has, since the October elections, announced that it has no faith in "universal suffrage."

This is another mode of expressing hostility to the republican form of government. An aristocracy, or Judge BLACK'S "unlimited monarchy" would suit the Southern Democracy better than the free, republican system—with which they have no sympathy. Probably, they might agree to be content with the elective form—if the right to vote could be confined to a few classes, instead of being given to the whole people.

A PARTY of Louisiana Rebels, armed, recently boarded in the Mississippi a steamer which contained a quantity of arms purchased by the State of Arkansas, seized the steamer, and threw the arms overboard. The Governor of Arkansas telegraphs to the President: "From the facts in my possession, I am satisfied that armed resistance to the law is contemplated, in which event the United States forces here would be entirely inadequate to preserve order."

THE time has nearly come which Judge BLACK predicted would be the proper moment for him to declare for the overthrow of the Constitution, and the substitution of an unlimited monarchy.

We shall watch, with interest, the columns of his organ—the York *Gazette*—for the promised pronunciamento. The Judge, we suppose, has too much pluck to "back out," and we can, if necessary, endorse the purity of his *Democratic record!*

LETTERS received in Washington from the South report that since the Democratic demoralisation the people and press are not quite so violent in their expressions towards the North.

These braggarts and upstarts will "come down" as soon as GRANT is elected. He'll *require* them to obey the law, and that will cure all existing evils.

THE Copperhead machine was badly broken on Tuesday of last week. It will be "smashed to flinders" on Tuesday of week after next.

IMPORTANT MEETING.

A meeting took place on the 21st, in Cooper Institute, New York, of War Democrats. The call was largely signed, and is addressed to—

Those of Democratic antecedents, who wish to retain the entire Union upon principles that are just;

Who believe that the debt incurred in suppressing the rebellion is a sacred obligation;

Who insist that the plighted faith of the nation shall not be violated, and that its name and credit shall not be disgraced;

Who desire to treat the States lately in rebellion with lenient justice, but who will not consent to surrender the Government to Southern rebels still insisting that the rebellion was right, and still boasting of continued devotion of the "Lost Cause;"

Who are opposed to the repudiating doctrines of the New York platform, and to the revolutionary manifesto of one of its candidates;

And who believe that peace, safety and prosperity for the whole country will be secured by the election of General Grant.

This meeting will have a prodigious influence upon the elections in New York.

WHAT THE SOUTH EXPECTS TO ACCOMPLISH.

A Pensylvanian who has been travelling extensively in Louisiana, Southern Mississippi and Alabama, and in West Florida, writing on the 27th of September, 1868, from Cedar Keys, Florida, to a friend says:

"This trip has disgusted me with the South and its people, and has made a Radical of me. I see that they, *the Southern people, have to be brought to terms, and the sooner it is done the better.* Everything is in favor of a very active part in the approaching campaign upon the platform of the July Convention. The Southern Democracy are taking a very active part in advising as to the proper course to pursue, but are as much divided as their Northern allies. The New Orleans *Times* favors the withdrawal of Seymour and Blair, and suggests that they be allowed to nominate their successors on their ticket. The New Orleans *Picayune* wants Hancock and Hendricks, or Hancock and Adams, as its standard-bearers. The Atlanta *Constitutionalist* deprecates any change in the candidates, and charges Belmont and the *World* with an effort to "sell out to the bondholders."

TUESDAY'S NEWS.

The panic among the Democratic leaders and press concerning the Presidential contest still continues. The New York *World* of yesterday intimates that Frank Blair's revolutionary letter was issued against the wishes of Seymour, and it reiterates its demand for his withdrawal from the ticket.—The Tammany Hall General Committee yesterday, in view of the probable withdrawal of Seymour and Blair, says a New York despatch, adopted resolutions eulogizing their services, etc. Montgomery Blair is said to have written the celebrated letter berating that journal for its recent course, and threatening terrible things in the event of a new ticket being formed. He says in that event neither he, nor Frank, nor the elder Blair, will support the nominations, and that Maryland will be lost to the Democracy. Horatio Seymour is reported as having said a few days since, at Utica, New York, that he could not be held responsible for the defeat of the Democracy, as he had several times declined the nomination. Vallandigham's organ at Dayton, Ohio, is wild for Chase, and reports Seymour as having withdrawn in his favor, which is rather premature. The Washington *Star* of last evening says that Montgomery Blair denounces the movement for a change of candidates as treason to the Democratic party; that it is made in the interest of Chase, Johnson and Hancock, whom he accuses of being opposed to the ticket since its formation. He thinks Secretary Seward is one of the prime movers in the proposed change, and that it is him who influences the President in opposition to the interests of Seymour and Blair. We have a curious story from Lexington, Kentucky, of an alleged desire by Southern politicians to get out of the fight, and make the best terms with Grant they can. Our only doubt about this springs from its wisdom. Ideas so sensible have never heretofore been able to get through Democratic heads in so short a time as has intervened since the decision of last Tuesday. The Cincinnati *Gazette* furnishes the important information that the New York *World's* late demonstration was dictated by a despatch from the Pendleton managers, calling for the withdrawal of Seymour and the substitution of Chase; and sagely adds this impression that Mr. Chase would accept. Mr. Blair thinks the Chief Justice would accept the nomination at any time, but says there is no show for Chase. Together the squabble is a very pretty one as it stands.

WEDNESDAY'S NEWS.

The Democratic row still continues.—The New York *World*, the leader of the attack upon the nominees, still continues its assaults. In yesterday's issue it states: "It is our intention that this Presidential campaign shall hereafter revolve around Governor Seymour as its chief pivot, and not around Seymour, Blair, and it then says that, "considering how open the Breckinridge letter is to misconstruction, we think that General Blair ought to withdraw, and thus put a sudden end to the mischievous prominence that has been given him in the canvass."—Seymour has announced his intention of raising the stump, and will speak at Buffalo on Thursday, and from then to the close of the campaign. This does not look much like his consenting to be shelved by the party managers. The President's Washington organ says that it is folly to deny the fact that a very general desire exists for a change in the Democratic nominees, and suggests that whatever is done must be immediate. Belmont, the Chairman of the Democratic National Committee, is reported to have deserted his friends and sailed for Europe. The New York *Herald* of yesterday says that "the eruption in the Democratic party goes ahead of the eruption of Vesuvius and the stirring up of South America, and all the other recent shakings. Worse than Brick Pomeroy continues the most bitter denunciation of the *World* in his daily paper in New York.

THE "WORLD" GIVES IT UP!

How thoroughly the Democratic party have been demoralized by the late Republican victories, may be inferred from the fact of the New York *World*, admitting that "the party stands with one foot over the brink of peril," insists that their only hope lies in the leaders acting "a bold part in an *unexpected* crisis," by withdrawing Seymour and Blair from the canvass. It evidently regards them as dead cocks in the political pit. Here is the stirring and significant language in which the *World* puts the issue:

"If our leaders should be convinced by the result of the late elections that some mistakes were made by not following their original judgment; if those who disagreed with them in opinion now see that they misjudged; if there is any impediment to success which can yet be removed by noble daring, or self-sacrificing virtue, or a bold stroke of policy, now is the hour for action! It would be an infinite pity if, when we are so very near success, we should fail to win it by the lack of a little boldness. Our *principles* have not been rejected in these elections; there is no call to change *them*. We need not give the details, but it is pleasant to see how handsomely Capt. MILLER ran at home, Mr. COVER in Gettysburg and Franklin township, and Mr. KITZMILLER, in all the Districts in which he is best known.

THE Philadelphia *Daily News*, (Cop.) is out for new candidates. It says:

"It is admitted on all sides that the fate of Seymour and Blair is sealed, and that they are but as dead wood in the pathway of a host of people who desire to go forward. They must go out of the way."

The *News* does not understand. It is the fate of the Copperhead party, which has been sealed.

ALL the Deserter was polled by the Democrats in this county on last Tuesday a week. Eight in one township, we have heard of. Most of the Democratic increase was due to this vote.

"IN MEMORIAM."

The following epitaph for a headstone, to be raised over defunct Democracy, is ready for the stone-cutter:

Here Lies,
Without hope of Resurrection,
All that remains of
AMERICAN DEMOCRACY,
(falsely so called.)
Her appalling crime was to have sacrificed
A Million lives,
And Many Thousand Millions of Treasure
In a fiendish struggle to perpetuate
The accursed system of
AMERICAN SLAVERY.
In the presence of this one enormity
It would be mockery to utter
The name of any
VIRTUE.

SEYMOUR AND BLAIR PROPOSED TO BE WITHDRAWN.

The loss of the three great States of Pennsylvania, Ohio and Indiana, threw the Copperhead leaders into spasms.—The New York *World* cried out for a change of candidates. The *National Intelligencer* followed suit:

The *World* of Friday and Saturday last kept up its fire upon Blair, alleging that his revolutionary threats have alarmed the country, and caused the defeat of himself and party. It is rumored that Seymour has consented to the withdrawal of his name, and this rumor is denied and again asserted by Brick Pomeroy, who states that his friend Seymour has placed his fate in the hands of the National Democratic Committee. The Blair wing of the body, located at Washington, asked the faction whose headquarters are in New York whether the proposition for the change in the Democratic Presidential candidates were prompted by the Democracy of that State, to which Messrs. S. J. Tilden, August Belmont and Augustus Schell replied that "we, in New York, are not panic-stricken;" that there was no authority or possibility to change front, and that it was considered there totally impracticable to do so, and would be equivalent to a disbandment of the forces of the Democratic party. The Hon. Montgomery Blair has also been consulted in the emergency as to the advisability of having "brother Frank" decline, and decidedly objects to such a course, at the same time expressing the opinion that the ticket is wrong end uppermost, and that it should be Blair and Seymour instead of Seymour and Blair. The Democratic newspapers at the North are much divided as to the proper course in the future. The Albany *Argus* rejects the suggestions of the *World*, and insists upon fighting the campaign upon the platform of the July Convention. The Southern Democracy are taking a very active part in advising as to the proper course to pursue, but are as much divided as their Northern allies. The New Orleans *Times* favors the withdrawal of Seymour and Blair, and suggests that they be allowed to nominate their successors on their ticket. The New Orleans *Picayune* wants Hancock and Hendricks, or Hancock and Adams, as its standard-bearers. The Atlanta *Constitutionalist* deprecates any change in the candidates, and charges Belmont and the *World* with an effort to "sell out to the bondholders."

DON'T forget the Torch-Light Procession to-night! It promises to be quite an affair.

MR. CESSNA, who was invited, writes that by reason of prior engagements, he will not be able to be present. He is to take part next week in the campaign in New York, in which most of the ablest Republicans will engage.

REMEMBER

That the Presidential election will take place on Tuesday of week after next, being the 3d day of November.

THE uniformity with which the Republican candidates for county offices were sustained at home, is a subject of general comment and congratulation. We need not give the details, but it is pleasant to see how handsomely Capt. MILLER ran at home, Mr. COVER in Gettysburg and Franklin township, and Mr. KITZMILLER, in all the Districts in which he is best known.

THE Philadelphia *Daily News*, (Cop.) is out for new candidates. It says:

"It is admitted on all sides that the fate of Seymour and Blair is sealed, and that they are but as dead wood in the pathway of a host of people who desire to go forward. They must go out of the way."

The *News* does not understand. It is the fate of the Copperhead party, which has been sealed.

ALL the Deserter was polled by the Democrats in this county on last Tuesday a week. Eight in one township, we have heard of. Most of the Democratic increase was due to this vote.

"IN MEMORIAM."

The following epitaph for a headstone, to be raised over defunct Democracy, is ready for the stone-cutter:

Here Lies,
Without hope of Resurrection,
All that remains of
AMERICAN DEMOCRACY,
(falsely so called.)
Her appalling crime was to have sacrificed
A Million lives,
And Many Thousand Millions of Treasure
In a fiendish struggle to perpetuate
The accursed system of
AMERICAN SLAVERY.
In the presence of this one enormity
It would be mockery to utter
The name of any
VIRTUE.

Republican majority on joint ballot 25.

OHIO.

The returns from all the counties in Ohio, official and unofficial, make the Republican majority 16,965, with 13 of the 19 members of Congress. VALLANDIGHAM is defeated.

INDIANA.

Returns from 83 counties official and nine unofficial, give Baker (Republican) 991 majority. The complete official vote will not vary materially from these figures. The Republicans carry 7 of the 11 members of Congress, and will contest the seat of VOORHEES, who is returned by a majority, alleged to be fraudulent. The Legislature is largely Republican, gaining a Republican U. S. Senator to succeed Hendricks.

NEBRASKA.

Official returns from twenty counties make the Republican majority 1,950; four counties to hear from will make the majority not less than 2,400. Legislature nearly unanimously Republican.

"THE sea is encroaching on New Jersey," says an exchange. So is Republicanism, and will swallow the State a long time before the sea.

THE Harrisburg *State Guard* says that all the sons of Ex-Governor David R. Porter will vote and work for Grant and Colfax.

THE FLAG OF THE DEMOCRACY.—The stars and stripes on one side, the stars and bars on the other. To be raised on Mason and Dixon's line.

DR. Sperry, of De Soto, Wisconsin, chairman of a Democratic Club, has renounced the Democratic party, and goes for Grant and Colfax.

GENERAL Grant's captures: Rebels—Pemberton, July, 1863, Gen. Lee, April, 1865, Seymour and Blair, 1868, and the rebels at the White House, 1869.

THE official majority of Allen A. Bradford, the Republican candidate for delegate to Congress from Colorado, is seventeen. He has received his certificate from the Board of Canvassers. So much for the "Democratic Victory" in Colorado!

NOVEMBER 3D.—On and after November 3d, from present appearances, the beginning and the end of the Democratic party, so far as States are concerned, will be Kentucky, with Confederate Roads as the capital.

Gettysburg, Friday, Oct. 23, 1868.

A CARD.—Miss McCREARY will open winter Millinery Tuesday 27th inst. It

☞ Get your Photographs at TIPTON & MYERS, where you get them the cheapest and best—Tyson's old stand.

LECTURES.—We are glad to learn that the Literary Societies of the College are making arrangements for another course of Lectures during the coming winter, similar to those delivered in Agricultural Hall last winter, which were so liberally patronized.

TURNPIKE ELECTION.—An election will be held by the stockholders of the Hanover and Berlin Turnpike Company, at Kobler's Hotel, in Abbottstown, on Wednesday, Nov. 4th, for the purpose of electing officers to serve for the ensuing year.

ROBBED.—On Tuesday night the Store of SAMUEL MARTIN, in Fountaindale, was broken open and robbed of Dry Goods to the value of about $150. Suspicion attaches to a party of vagabonds who have been moving about the country, trading horses, encamping in woods, &c. Farmers and others would do well to keep a sharp lookout in these times.

IMPORTANT MEETING.—By notice of Mr. George Swope, Trustee in the Mortgage to secure Bonds issued by the Gettysburg Railroad Company, it will be seen that a meeting of the Boudholders is to be held at the Court-house on Friday the 30th, to confer as to their interests. As every Bondholder is interested, there should be a full attendance.

SALES.—Peter Beitler has sold to Mrs. Chler of Louisville, Ky., two Acres of Land in Cumberland township, adjoining lands of Abraham Trostle, Jacob Reily, and George Weikert, for $1,000 cash.

John W. Weigle has sold his Mill property, in Highland township(182 acres) with improvements, to Reuben Drorbaugh of Latimore township, for $17,000 cash.

THE SOLDIER'S AND SAILORS' ORPHANS' HOME.—We see it stated that Horatio Ward, a banker in London, but a native of New York, has bequeathed $200,000 to the Soldiers' and Orphans' Homes in the United States. Of this amount one-half goes to an institution in Washington city, and the other half is to be divided among the Orphans' Homes in existence in the loyal States within one year from the death of the testator. As he died in April, 1867, application should be made forthwith of the above institutions.

CONOWAGO TOWNSHIP CLUB.—On Wednesday of last week, the Republicans of Conowago organized a Grant and Colfax Club and elected the following officers:

President.—Jesse Waltman.
Vice Presidents.—Jeremiah Johns.
Secretary.—John U. Crichton.
Treasurer.—Wm. H. Small.

A large number of persons entered their names.

A Grant and Colfax pole was raised in McSherrystown on Saturday last. The Hanover Club attended, and every body had a "good time." The lower end is stirring itself for the final conflict.

THE DAMAGE COMMISSIONERS.—These officers met as specified in their advertisement, and continued their sitting from late hour last night. To-day, they go to Hanover, and thence to York. A very large number of claims were filed, but as they had not concluded their business before we closed our forms, we cannot at present state the number, or the aggregate amount of the claims.

The Commissioners will return to Gettysburg on the 10th and 11th of November. In this county, 447 claims were presented, which average about $600 each—a total of $268,200. The total amount of claims presented to this time in the various counties, is about $1.100.000.

EAST BERLIN ITEMS.—Col. F. B. PICKING has sold his two-story brick house—known as the "Stevens property"—to JOHN STITZELL of Huntington township, for $2,100 cash.

JONAS WHALER has sold his farm near East Berlin, 60 Acres, at $122.75 per acre, cash, to GEORGE JACOBS.

EMANUEL GILBERT has sold his property near East Berlin, 30 acres, for $3,350, cash, to JOSEPH LEAS.

JOHN TRIMMER has sold his two-story brick house, in East Berlin, for $2,700 to SAMUEL HOLLINGER.

JOHN REIGLE is erecting a comfortable two-story brick residence; and THEOPHILUS STUMBAUGH is building a large two-story carriage manufactory.

☞ "Appletons' Illustrated Almanac for 1869," just received from the publishers, is readable, ornamental, and valuable. The calendars are very complete; the various tables of eclipses, etc., are important; and the illustrations are truly elegant. These include twelve calendar heads, representing American game birds and their haunts, twelve full-page illustrations, depicting in a very agreeable manner some of the social incidents connected with the month, and twelve small landscapes, representing rural features of each of the twelve divisions.—The cover, in colors, is excellently done. Published by D. APPLETON & Co., New York. Price 30 cents.

RE-UNION.—Some forty or more officers and privates of the 1st Army Corps had a re-union in this place on Tuesday last, and spent the day in visiting the battle-field. In the evening they were escorted to Agricultural Hall, which was well filled with ladies and gentlemen, on whose behalf D. MCCONAUGHY, Esq., made a neat and pertinent address of welcome. GEN. DANA, of Wilkesbarre, replied, speeches being also made during the course of the evening by Col. Batchelder, Col. McFarland, Col. Biddle, Lieut. Ashurst, Maj. Cunningham, and others. An hour or more was spent in social intercourse with citizens, the visitors making a favorable impression. Most of them left on Wednesday morning.

SUICIDE.—On last Saturday evening Mr. WILLIAM MILLER, an aged and respectable citizen of Jacobsville, in this county, hung himself. After supper, he left the house for the stable ostensibly to attend to some stock, but not returning for an hour or more, his daughter went to look after him, and found him hanging dead. He had taken a piece of cord and thrown it over a beam, with a noose around his neck. A rope was found in his pocket, to be used probably in case of breaking of the cord. Mr. MILLER was about 65 or 70 years of age, and much respected. He had recently been disturbed by some financial difficulties, and it is supposed the hanging took place while laboring under a temporary fit of insanity.

OXFORD MEETING.—The following were the officers of the meeting in New Oxford, on the night of the 12th inst.:

President—Wm. D. Himes.
Vice Presidents—Dr. M. D. G. Peiffer, Jacob Diehl, Jacob Smith, Samuel F. Neely, Peter Diehl, Jacob Martin, Henry Eckenrode, Peter Feiser, Levi Wagner, John A. Shugh, John Busby, Geo. B. Himes, Isaac Miller, John Lough, Wm. King, John Heagy, Aaron Heagy, John Decker, Wm. Krug, Henry Kahm, John Byers, Jacob Buckminster, Francis Sherman, Austin A. Staub, Joel B. Danner, Jacob Peters, Daniel Cashman, Jacob Cramer.
Secretaries—Samuel McTaggart, Maj. Zeph. Horah, Charles A. Diehl, Edmund C. Gitt, Harry H. Brough, Fabius M. Wagener, John W. Hershey, George W. Sherman, Franklin Martin.

Addressed by Messrs. Cover, McPherson, McConaughy, and Koontz.

THE FIRE AT EAST BERLIN.—A correspondent furnishes us with some additional details of the fire in East Berlin, on Sunday morning, the 11th inst., a brief notice of which was given last week. The Store room destroyed was owned by Rev. A. J. DESMINGER, and was occupied by F. S. HILDEBRAND, as Agent for WILLIAM S. HILDEBRAND. It was one of the best furnished store rooms in the county. Part of the building was also occupied by Mr. F. S. Hildebrand as Post Master. The stock of Dry Goods, Groceries, &c., valued at $7,500 was entirely destroyed, as were also the Post-office effects, except the office desk and a few books. The building was valued at $3,500—making the total loss $11,000.

The fire made very rapid progress, and although the most strenuous efforts were made by citizens to check the progress of the fire and save part of the stock, they were unavailing. Upon the appearance of the store upon being first entered after the discovery of the fire, there seems to be little doubt but that it was the work of an incendiary, and that the store was robbed before being set on fire.

The building was insured in the Home Company of New Haven, Connecticut, for $2,000, and with an insurance of $2,000 on the stock in the same company. These amounts were promptly paid. The General Agent, T. P. Strowell, and the Local Agent at York, T. K. White, visited the scene of the fire on the next day, and promptly gave a check covering the amount of insurance.

The stock was also insured in the Farmers and Merchants Insurance Company of York, and the Maryland Insurance Company of Baltimore—$2,000 in each; T. K. White, of York, being Agent. Both Companies promptly and satisfactorily arranged matters and gave the necessar y papers to ensure speedy payment.

Michael-B. Spahr, one of the Directors of the York Company, also visited East Berlin on Monday and deserves special mention for kindness and promptness shown by him.

THE HORSE RAILWAY.—The Gettysburg Springs Company are pushing their contemplated Railway to the Springs with the vigor which characterizes all their movements. They have purchased from the Theological Seminary the right of way through their grounds, which secures the project against all contingency, as the Company own all the land along the balance of the route. They have already opened a street 60 feet wide through the Tyson property, on a direct line with Chambersburg street, and are building a substantial stone bridge, through which "Stevens run" will pass. The new road is being graded and will be a marked improvement to the western section of the town. The lower part of Chambersburg street will be cut down two or three feet, and the hollow beyond filled up, making a gradual grade the entire length of the street. The new street opened to the top of Seminary Ridge, we presume the Millerstown road, between the Ridge and town, will be vacated.

The Railroad track will for the present deflect from the foot of Chambersburg street, passing around the Foundry, and connecting with the Railroad at or near Washington street, for freight purposes.—As soon as the Springs Hotel is put up and the passenger travel justifies it, the track will be continued through Chambersburg street to the diamond, and thence to the depot.

MILLINERY.—Miss MONTFORT, of Hunterstown, has just returned from the City with a fine selection of Millinery Goods, which she proposes to sell off AT COST, thus furnishing a rare opportunity for bargains.

☞ "Thou art beautiful, and the dark tresses shade thy forehead meek in glossy curls." To assist nature in the cultivation of glossy curls, or to prevent their falling off, by premature disease of the scalp, resort to that wonderful preparation, "Barrett's Vegetable Hair Restorative," and see what art can do.—*Bangor Democrat.*

THE MORNING GLORY.—Col. C. H. BUEHLER has received a large assortment of these famous base-burning Stoves, which on the score of economy, cleanliness, easy management, and general utility stand unrivalled and defy competition. The great demand for them last season taxed the capacity of the Manufacturers to meet the demand. They are much improved and will doubtless ere long take the place of all other stoves for parlor, office store and shop. Call and look at them, at the Warerooms on corner of Carlisle and Railroad street, opposite the depot.

Also, on hand a full assortment of the best varieties of COOKING STOVES, including the Spear, Noble Cook, Waverly, Oriental, Washing, Barley Sheaf, Prize, Royal, Royal Cook, Excelsior, &c. &c., all WARRANTED to be good bakers. If not satisfactory, they can be returned and the money refunded. Also, a large assortment of Hollow Ware and Tin Ware, Doty's Washing Machine and Universal Wringer. Call and examine. tf

FINANCIAL.—PHAON'S "FLOR DE MAYO," the new perfume for the handkerchief, is creating considerable excitement among the five-twenties, also among the sweet sixteens. Sold by all druggists 1-3

NOW IS THE TIME.—Housekeepers can economize by laying in their winter coal at once, as freights are now lower than they will be a month hence, and Coal will necessarily rise. Persons desiring to save money, will do well to call at once on Col. C. H. BUEHLER, who is prepared to furnish all kinds of Stove, Blacksmith and Lime-burner's Coal at lowest market prices. tf

RAILROAD MATTERS.—Granville S. Haines, John Welty, Isaac Motter, Joshua Biggs, and P. F. Pendleton have been elected Directors of the Western Maryland Railroad Company for the next year.

Joshua Motter, has been elected President of the Emmittsburg Railroad Company, and Edward McIntyre Secretary.

PRESIDENT JOHNSON has fixed Thursday, November 26, as a day of thanksgiving and prayer.

E. B. Olmstead, the defaulting disbursing Clerk of the Post Office Department, has been arrested in Virginia.

THE liquors belonging to the estate of ex-President Buchanan, were sold at public sale on Tuesday, the 6th inst. The sale footed up over $1,200. Quite a large stock for one individual.

Teachers' Institute.

THE Adams County Teachers' Institute for 1868, will be held in the Court-House, Gettysburg, commencing on Monday, November 9th, at 9 o'clock, P. M., and closing Friday night, Nov. 13.

All teachers, school directors, and friends of education are invited to attend. No expense or pains will be spared to make the exercises interesting, practical and profitable, and the instruction to be given will be just such as teachers can with advantage put into practice in their schools.

A full corps of first class lecturers and instructors has been secured. The law contemplates that boards of directors shall grant teachers the time to attend the Institute and count it the same as teaching, and it is hoped all will do so.

Friday, "Directors' day," when matters and questions relating to the duties of school directors will be considered. The committee on Permanent Certificates will be elected on Monday afternoon. Arrangements have been made for a reduction of railroad and board fare to all those who may attend. It is earnestly desired that every district be fully represented. Get a single teacher be absent. A programme of the exercises will be published.

ONE OF THE

BEST INVESTMENTS.

THE

First Mortgage BONDS

OF THE

UNION PACIFIC RAILROAD COMPANY,

850 Miles Completed.

A limited amount of the First Mortgage Bonds of the Union Pacific Railroad Company are offered to the public, as one of the safest and most profitable investments.

1. They are a first mortgage upon the largest and most important railroad in the country.

2. By law they can be issued to the Company only as the road is completed, so that they always represent a real value.

3. Their amount is limited by act of Congress to Fifty Million Dollars on the entire Pacific line, or an average of less than $30,000 per mile.

4. Hon. E. D. Morgan, of the United States Senate, and Hon. Oakes Ames, of the United States House of Representatives, are the trustees for the bondholders, to see that all their interests are protected.

5. Five Government Directors, appointed by the President of the United States, are responsible to the country for the management of its affairs.

6. Three United States Commissioners must certify that the road is well built and equipped, and in all respects a first-class railway, before any bonds are issued upon it.

7. The United States Government lends the Company its own bonds to the same amount that the Company issues, for which it takes a second mortgage security.

8. As additional gold, it makes an absolute donation of 12,800 acres of land to the mile, lying upon each side of the road.

9. The bonds pay six per cent. in gold, and the principal is also payable in gold.

10. The earnings from the local or way business were over FOUR MILLION DOLLARS last year, which, after paying operating expenses, was much more than sufficient to pay the interest. These earnings will be vastly increased on the completion of the entire line in 1869.

12. No political action can reduce the rate of interest. It must remain for thirty years—*six per cent. per annum in gold*, now equal to between eight and nine per cent. in currency. *The principal is also payable in gold.* It is bond, with such guarantees, as has never been offered to the investor. Considering its absolute security, it is the cheapest railway bond ever offered. It pays more than twice as much interest as Government bonds, and is much better security. Any bank or capitalist who buys Government bonds to sell again, can make more money by buying Union Pacific Railroad Bonds.

13. The issue will soon be exhausted. The sales have sometimes been half a million a day, but nearly twenty millions have already been sold. At no time in this country has any railway security been so cheap as the bonds of the Company are now. It is certain that at some time not far distant, all the principal of the bonds the Company can issue will be taken, and some combination of capitalists and will draw from the market, except of a large advance. At present time, the last day's sales of the Company's bonds are the highest ever made, and the purchasers generally must make three bonds very valuable for one.

All the predictions which the officers of this Company have made in relation to the progress and business success of their enterprise, or the value of its bonds as an investment, have been more than confirmed, and they therefore urge it that parties who desire to invest in first-class bonds *will find it to their advantage to do so at once.*

The price for the present is 102 and accrued interest at the rate of six per cent. in currency from July 1st, and subscriptions will be received in Gettysburg at

A TAMMANY HALL SACHEM FOR GRANT.

He Backs His Opinion With $20,000.

The following correspondence practically illustrates the views of thinking men respecting the coming election. Judge Pierrepont has always been a Democrat, and is one of the Sachems of Tammany Hall.—His defection, therefore, shows in a great degree the extent of feeling adverse to the Rebel candidates among the Democracy who have not altogether lost their love of country or respect for maintaining its honor and character as a nation:

No. 108 Fifth Avenue,
New York, Saturday, Oct. 10, 1868.

To Alexander T. Stewart, Esq.,
Chairman of the Grant Committee.

My Dear Judge—When Frank P. Blair, who had no claim whatever upon the Democratic party, was nominated in Tammany Hall, with such shouts of applause, just after proclaiming that "*We must have a President who will trample into dust*" the laws of Congress, and when four Rebel Generals made the chief ratification speeches in New York, my attention, as a War Democrat, was arrested by this remarkable exhibition.

Since then I have careful noted the expressions of Southern journals, and the speeches of Southern politicians, from Wade Hampton, on his return to Charleston, to the recent manifestor of B. H. Hill, and I find that every leading Rebel in the Confederacy regards the expected election of Seymour and Blair as a complete vindication of the rebellion, and as certain to restore the South to every right which she had before the war, including the "trampling into dust" by military feet, the proclamation of freedom and the Fourteenth Amendment to the Constitution.

This contest presents a well defined issue between the friends and the enemies of our Government.

I cannot conceive how any intelligent man, who does not wish the Rebels returned to power, the nation's faith violated, its name dishonored, its prosperity destroyed, its patriots insulted, and the "Lost Cause" restored, can vote against Grant.

In my judgment, the election of Seymour and Blair would forthwith confuse and paralyze our business, and reduce the value of our property one-half.

To aid in averting this calamity, I send you here with $20,000, which I give to be used in the election of General Grant in such manner as you and the committees with whom you act may think best.

And I remain yours, very truly,
Edwards Pierrepont.

AN ANALYSIS OF THE CHARACTER OF GENERAL GRANT.

Judge James Sloan, of Ohio, in a speech delivered in Cincinnati on the 28th ult., presented an estimate of the character of General Grant. He said Grant was not a genius; neither was Washington. The speaker thought the plain, earnest, common sense man of more use than the genius. He said Grant was not an orator. He had done better than make great speeches. He had "thought great thoughts and great deeds." He said Grant was no politician: He was something better than a partisan; he was a national man. He spoke of Grant as a prudent man; as a man of self-reliance; as a man of shrewd observation; as a man of sound judgment and pertinacity of purpose; as a man of great energy and activity; as an honest man, a modest man, and as coming of "good stock." We quote the concluding paragraph:

"Such, gentlemen, as I have described him, is Ulysses S. Grant, a man of good, solid sense, and useful and thorough acquirements; a man of plain and direct but shrewd and far-seeing mind; a quiet and taciturn man, but one who speaks, when called upon to speak, directly to the point in a clear, forcible and fitting, though not ornate, or even very elegant language; a modest and retiring man, who never thrusts himself upon the public attention, but one who, being called upon to act, acts with promptitude and vigor, 'asking no favors and shrinking from no responsibilities;' a man of activity and energy, without bluster or parade; of firmness, without obstinacy; of self-reliance without vanity or presumptuousness; a man of quick perceptions, rapid reasoning powers, sound judgment and prompt decision; a man who owes nothing to favoritism, but who, 'by dint of merit,' has 'achieved greatness,' and who, notwithstanding the eminence to which he has risen, has not become dizzy-headed, but is the simple-mannered, level-headed man he was before, and who walks the toppling mountain height of fame with the same firm step, undazzled eye, calm, clear, steady mind and modest bearing for which he was noted in the humble and obscure lowlands of life. Possessing the qualities I have enumerated, Grant, if elected, cannot be other than a safe President."

OPERATIONS OF THE KLAN IN TEXAS.

Galveston, Texas, Oct. 10.—On the third of this month a Republican meeting was announced and held at Jefferson, in this State, at which Geo. Smith, a delegate to the Constitutional Convention, spoke. The same night he was attacked by a band of rebels, and would then most certainly have been killed had it not been for opportune arrival of the military, who protected him. For protection he was taken to the jail, in which at the time were also a number of freedmen. A guard was placed around the jail building, commanded by Major Curtis. On the night of the 6th the guard was assaulted and disarmed by a mob of disguised men. The jail was broken open, and Mr. Smith and two freedmen in their endeavors to escape were murdered. Their bodies were literally riddled with bullets. Another freedman, making three in all, was also shot dead. Mr. Smith was a young merchant from New York, in which city he was born. During the war he served in the Union army.

How to Shake off Trouble.—Set about doing good to somebody; put on your hat and go and visit the sick and the poor;—inquire into wants, and minister to them; seek out the desolate and oppressed, and tell them of the consolations of religion. I have often tried this method and I have always found it the best medicine for a heavy heart.—*Howard.*

Many men pass fifty or sixty years in the world and when they are just going out of it, they bethink themselves, and step back, as it were, to do something which they had all the while forgotten, viz:—The main business for which they came into the world, to repent of their sins, and reform their lives and make their peace with God, and in time to prepare for eternity.—*Tillotson.*

When traveling abroad, one of the Ohio legislature, who voted for the bill disfranchising Rebels, wrote home to have his letters directed to "————, Enrip." One of the pictures he then purchased, and adorning his "palatial mansion," is labeled "An Ohun (Ocean) Landskip."

European advices say that the Spanish Junta has seized the property of the Jesuits and abolished the order. The Junta has issued a circular urging the extinction of all religious corporations. Internal taxes on home and foreign wares have been abolished.

The Washington Star says the report of the Washington Republican announcing the intended marriage of Secretary Seward to Miss Risley, the accomplished daughter of Hon. H. A. Risley, of Washington, is entirely untrue.

The Chinese Government having (through the Hon. Anson Burlingame) conceded to the Company the privilege of connecting the great seaports of the Empire by electric telegraph, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macao	60 000
Hong-Kong	250,000
Amoy	200,000
Foo-Chow	650,000
Wan Chu	1,500,000
Ningpo	200,000
Hang Chean	400,000
Shanghai	1,200,000
	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this Company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life, especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns laid to her central authorities for taxing purposes by the local magistrates make her population *Four Hundred and Fifteen Millions*, and this is more likely to be under than over the actual aggregate. Nearly all of *these*, who are over ten years old, not only set out to read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and readers; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose, connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter.

No enterprise commends itself so in a greater degree remunerative to capitalists, and to our whole people. It is of a vast national importance commercially, politically, and financially.

☞ The Stock of this Company has been unqualified by the press, and capitalists and business men, as a desirable investment for solid returns. In the New York *Herald, Tribune, World, Times, Post, Express, Independent*, and in
